

CHALICE LIGHTER PROGRAM

of the Northern New England District

How the Chalice Lighter Program Works

Generous people agree to be a Chalice Lighter by filling out an Enrollment Form and sending it to the District Office.

Congregations apply for a Major Chalice Lighter Grant for building projects including energy efficiency and accessibility, and adding professional staff, or Small Growth Grants for growth initiatives. Applications are available through the District Office.

The Chalice Lighter Committee reviews applications and selects the next recipient(s).

A Call Letter and Donation Form are sent to all known Chalice Lighters describing the chosen project(s) and asking for a donation of \$15 or more.

Chalice Lighters return their Donation Forms with their chosen donation to the District Office.

All the money donated is then sent to the selected recipient(s). The more we receive, the more each recipient will benefit.

Maximum number of Calls per year is three!
